

# Catwalk

FROM GLADA HUDIK TO NEW YORK

## Invitation

SATURDAY 14TH OF SEPTEMBER AT 7:30 PM

We are happy to invite you to Glada Hudik-teatern's Catwalk, a unique fashion show in New York. Five charismatic models will display the work of Swedish couture designer Frida Jonsvens, jewelry by Caroline Svedbom along with special arrangements of the music of Avicii.

Mental disabilities do not set the limit.

Fears and prejudices turn into understanding and friendship when the world gets to know the models of Catwalk.

With their unique personalities and history, they show everyone that there are many ways to express yourself.

Catwalk bring us and the fashion world a joy and beauty that feels genuine and inspires us all.
